Cannibalism of Children

8/27/2010	Albert fish	Cannibalism of Children	<p>A: how cooked?</p> <p>P: would gut him. butcher him. belly cooked as bacon. (with hand and foot still attached) cock and balls for appetizers</p> <p>A: behead?</p> <p>P: yes. might eat cheeks and tongue too</p> <p>A: i'm picturing that carcass right now</p> <p>tongue would be a lovely appetizer</p> <p>P: not as lovely as cock and balls.</p>
10/10/2010	Anthony Dawfish	Cannibalism of Children	<p>P: those legs look delicious</p> <p>A: yes. Just one little explorative trip far enough from everybody and he could have ended up on my cutting table. So close.</p> <p>P: I would have preferred him on mine :)</p> <p>A: I'm sure ;) Those legs would have looked great turning on a rotisserie.</p> <p>P: yes, nice</p> <p>A: the skin slowly darkening and getting crisp</p> <p>P: nice.</p>
2/11/2011	jk_ohyeah	Cannibalism of Children	<p>P: how you like to eat boys? what ages?</p> <p>J: i generally like 5-12</p> <p>P: 2-25</p> <p>prefer under 12</p> <p>J: mm hot choice</p> <p>under 12 is good for sex and food i think</p> <p>P: a 7-8yo would be so ideal for me to eat for real</p> <p>J: me too</p>

8/3/2011	jk_ohyeah	Cannibalism of Children	<p>P: how would you like to prepare that boy in the pic</p> <p>J: how wouldn't I? baked, boiled, bbqed. spitroasted. alive or dead. mmm spitroasting them alive would be soo fucking hot. imagine the moment shoving up the metal rod up their sexy bumholes. or boiling a boy alive. boiling them would make their meat soo juicy</p> <p>P: yes. although spitting them in that way would not actually be cooking them alive. since they would die before they hit the fire. they would have to be tied to the spit for alive</p> <p>J: yep tie them or boil them :)</p> <p>P: yes</p> <p>J: a nice large pot like those for lobster could fit a young boy whole and alive. slowly turn up the heat.</p> <p>P: yeah</p> <p>J: yummm lovely tender boymeat boiling yuummmm. after i boiled the boy id love to place the whole boiled boy on our dinning table. and start eating his arms</p> <p>P: If only you lived closer. :)</p> <p>J: mmm i know man, wish we were neighbours</p> <p>P: that would be fantastic</p> <p>J: we would probably end up really raping and eating a boy</p> <p>P: of course. don't you want to?</p>
5/31/2012	lowballs	Cannibalism of Children	<p>P: I have no minimum age. I would eat a newborn.</p>

7/28/2012	Walrus blackhawk	Cannibalism of Children	<p>W: Kind of running you hands throught their soft hair, squeezing their sweet flesh, fudging them, then into the oven.</p> <p>P: YES!</p> <p>W: A nice relaxing image.</p> <p>P: yumm</p> <p>W: Sip a beer or glass of wine while you peer through the oven window and their antics.</p> <p>P: :)</p> <p>W: I meant at their antics...hard to proofread while you type. Wiggle, squirm, squeal, struggle...fun.</p> <p>P: yumm</p> <p>W: I wonder if fantasy is better than reality?</p> <p>P: fantasy is good. reality is the best</p> <p>P: *sent files*</p> <p>W: Yummy!</p> <p>P: yup</p> <p>W: Always nice to have one or two in a cage watching and waiting for their turn.</p> <p>P: Naked...of course.</p>
7/28/2012	Walrus blackhawk	Cannibalism of Children	<p>P: remind me I still need to send you movies and underwear/swimsuit.diaper sections</p> <p>W: ok</p> <p>P: I soooooo want to fatten, fuck, kill cook and eat a boy</p> <p>W: No that kids just right for me. First fuck him. Then cut off the little dick. Then chop him up alive and cook the pieces over an open fire. How romantic.</p> <p>P: very nice. (if you include a little fattening first)</p> <p>W: You like em chubby. Self basting.</p> <p>P: plump, but not fat. although I would eat a fat boy or a thin boy</p>

Child Pornography

7/28/2012	Walrus blackhawk	Child Pornography	<p>W: This is a cool movie.</p> <p>P: good, huh?</p> <p>W: Real kids getting hung by a Russian dude.</p> <p>P: naked?</p> <p>W: No</p> <p>P: drat</p> <p>W: The struggling is quite amusing.</p> <p>P: I will finish downloading. but then I have to get ready for work. :)</p> <p>W: I have to go to. You will want to wait til the movie downloads. I think you will like it.</p> <p>P: ok how old are the kids that get hung?</p> <p>W: preteen and early teen. The guy was some sort of youth director in Russia and this was his hobby. Some of them put the nooses around their own necks. Then he pulls the support out.</p> <p>W: Kick...kick...kick.</p> <p>W: Some of them survived...some didn't. He cut the dead ones up.</p> <p>P: nice. would be nice if he ate them</p> <p>W: I don't think he did that. If he did, they didn't reveal it.</p> <p>P: would have been great though better if they were naked too</p> <p>W: It would be more fun....</p> <p>P: apparantly. I am not that impressed with the movie though. if they were naked it would be worth watching a second time. I like the hacking up though</p> <p>W: I would like it better if they were naked. But the little actors didn't cooperate. They just died.</p> <p>P:look delicious</p> <p>W: I liked the hacking and the part where the kid climbs the tree and gets pulled down. I think that was probably his last minute.</p> <p>P: it was nice</p>

6/18/2011	Walrus blackhawk	Child Pornography	<p>W: Here is some boy meat. That's the real thing.</p> <p>P: nope, just meat. human fat is yellow. not white</p> <p>W: If you look, you can see the butt crack and arm. It might be a manip but I doubt it. Human fat is usually yellow...actually it's pretty gross on a preserved cadaver. This thing looks fresh. Yes I have dissected a cadaver.</p> <p>P: might have been shaped. but it is not human</p> <p>W: I was in one of the medical professions where we did that. Formaldehyde and preservatives are gross. I did see an autopsy on a preteen boy once. They cut off the cranium and pulled out the brain. The colors are vivid.</p> <p>P: nice</p> <p>W: I think its a real kid, but I can't prove it. May not have had much carotene in the diet.</p> <p>P: :) brb, bathroom</p> <p>W: sent file. This little kid is obviously real. But I did manipulate the little note on the critter.</p> <p>The fat is yellow on that brat. There wouldn't be much meat on those ribs if you put them on the grill.</p> <p>P: soooooo delicious</p>
2/19/2011	Unknown	Child Pornography	<p>P: Any new pics?</p> <p>U: yes. Been hunting. Helped a buddy with a little 10 month old piglet last weekend. Had one of my own not long before that, just little one though. No big ones lately.</p> <p>P: Any pics? Naked? Bound? Gagged? Cooking? Butchering?</p> <p>U: only naked I have is the baby girl piglet that I helped with just lying on a couch when my buddy showed her to me.</p>
6/15/2011	Walrus blackhawk	Child Pornography	<p>P: do you have a favorite pic yet? (I still have hundreds more by the way)</p> <p>W: The kids with gags are nice. I like most of them.</p> <p>P: these ones are mostly real pics. autopsy tables and the like. want more? yes? no?</p> <p>W: Lots of nice stuff.</p> <p>P: you want more?</p> <p>W: Sure!</p>

Detailed Planning

Date	User	Quote
4/2/2011	Uelime	<p>██████, age 10?</p> <p>P: maybe. You said you did not have a quite place to keep him. So if he is unrurly and prepared to yell. That will be it. Much better if we enjoyed him in a secure location. But that required money. A rented house away from neighbors</p> <p>U: yea, i don't really have a good place to hold him right now.</p> <p>P: As i said, money</p> <p>U: yes. But you would also have to be careful not a leave a mess. So keeping him quiet would only be</p> <p>P: yup</p> <p>U: Maybe put down a lot of plastic to do him on.</p> <p>P: that could work</p> <p>U: then it would just be rolled up and burned</p> <p>P: yup</p> <p>U: and his remains would have to be destroyed too.</p> <p>P: Yup. or fed to alligators.</p> <p>U: yes, that would work. If we could go to the everglades, it would help in a number of ways. Seclusion, quiet area to work, and gators to eat the leftovers.</p> <p>P: Yup. but not as secure.</p> <p>U: why not as secure?</p> <p>P: no roof. no walls. visibility is there.</p> <p>U. oh, well i was thinking of getting a place there to rent.</p> <p>P: oh ok</p>
4/2/2011	Uelime	<p>Continued from above U: Not doing him in the open. But even then, we couldn't let anyone see us take him in.</p> <p>P: so we need to rent a van too.</p> <p>U: I have a van. Just bind and gag him and cover him in the back.</p> <p>P: nice</p> <p>U: I would cover the back floor in plastic to provide protection in case he pees or something.</p> <p>P: good idea</p> <p>U: he would still have his clothes on as we ride down I guess. But you could keep an eye on him and play with him some.</p> <p>P: That would be great</p>

Raping and Murdering Children

2/28/2011	Uelime	Conspiracy to Commit a Crime of Violence (Murder)	<p>Same chat, about 11 year old</p> <p>U: I would want to snuff them right away because that would be part of the fun. Thinking hwo to do it.</p> <p>P: choking? Drowning? Cut throat?</p> <p>U: I thinking choking or suffocation would do the 11 year old nicely.</p> <p>P: nice</p> <p>U: at least he would go 'clean'.</p> <p>P: only if he hadn't eaten or drunk in a few days</p> <p>U: I wouldn't mind him peeing. just not a lot of blood splatter.</p> <p>P: the blood has to come out eventually</p> <p>U: yeah, but it would be controlled.</p> <p>P: it is always controlled</p> <p>U: I just don't him making a mess</p> <p>P: like craping on your floor? that is why you do him in the bathtub</p> <p>U: He would be in the bathtub or I would have a lot of plastic laid out for him.</p>
7/28/2012	Walrus blackhawk	Conspiracy to Commit a Crime of Violence (Murder)	<p>W: The idea of grabbing some nude ten year old by the hair, cutting off the head, then playing catch with the cranium is a cute image.</p> <p>P: yup</p> <p>W: Then there is always poking the eyes out of a little guy, rinsing out the eye holes and filling them with cum.</p>
2/28/2011	Uelime	Conspiracy to Commit a Crime of Violence (Rape)	<p>About [REDACTED]</p> <p>U: I think he would provide some good sex.</p> <p>P: Yup</p> <p>U: If you don't mind the crying, that is. His rabbit died a few weeks ago, and I understand there was a lot of tears.</p> <p>P: Nice. Would love a nice young boy to fuck and eat.</p> <p>U: I bet his asshole would be nice a tight</p> <p>P: nice. yes</p> <p>U: I am sure nothing has ever been there before. We would be the first - and last to go in there.</p> <p>P: Yup</p>

3/1/2011	Uelime	Conspiracy to Commit a Crime of Violence (Rape)	Same chat, about 11 year old P: and naked of course U: yes, I would have been playing with him for awhile. P: his butt would hurt U: It would have been fully opened. And his dick sucked a lot. P: Well, as many times as he can get hard anyway. In the time you are keeping him. maybe 4 times? U: He might be too scared to get hard. But I would still lick and suck on him. P: ok. it wouldn't be worth calming him down to get him hard> U: Not sure if he could be calmed, but I would if I could. P: :) U: you could help enjoy him too. P: I would love to. when you get him, let me know and I will visit. (of course, you probably couldn't keep him long enough for my plane to arrive

(although you haven't sent me the ones of you naked with an apple in your mouth yet)</p> <p>how about that cute Minor 4 of yours. He would look great like that.</p> <p>His mom already got him to masturbate on camera. How hard can it be?</p> <p>tied up and naked would be fantastic too.</p> <p>Same thing. you can't babysit some time? does his mom know you are gay?</p> <p>take pics if you do</p> <p>i do</p> <p>ok. so they won't suspect. just babysit him and get the pics. a large pot would be good too. naked of course</p> <p>offer to</p> <p>tell them you are willing</p> <p>nice. so do it and take pics</p> <p>do they not have an anniversary? or valentines day? or a birthday coming up?</p> <p>make the offer. take the pics</p> <p>:(I want to see him naked in a baking pan. covered in olive oil</p> <p>once you get to babysit, as soon as they leave, tell him he is going to have a bath. then, when you have taken pics of him bathing, just dry him off and don't bother to dress him again.</p> <p>give me his address. and come to me, and you can see that.</p>

4/2/2011	Uelime	Conspiracy to Produce CP	<p>[REDACTED]</p> <p>P: yes. Any new pics of him? Swimsuit? Naked?</p> <p>U: No, nothing new. I want to get a new one of him though soon.</p> <p>P: naked is always best.</p> <p>U: yes, but I wont get that til we get him stipped.</p> <p>P: ok :)</p> <p>U: If you stip him, I will snap a pic.</p> <p>P: Excellent</p> <p>U: Could you take his crying?</p> <p>P: he would be gagged. It wouldn't bother me anyway. I would just hurt him until he stopped.</p> <p>U: I would enjoy fingering him and seeing the look on his face.</p> <p>P: :) I would take pics of that. Maybe a movie</p> <p>U: I would want pics of the snuff too</p> <p>P: of course</p> <p>U: His last moments of life. I put up his pic. I think you have seen that one before.</p>

U: Yea P: Maybe U: throw him in the van and tape him up quick P: yup U: then you could keep him company while we drive away. P: Yup :) U: After his mouth was taped, you could feel him all over. P: Yup. and undress him. U: You would have to undo the tape for that. P: Nope. cut his clothes off. U: oh with a razor blade? P: scissors. U: If he is wearing jeans like in the pic, that might be hard. P: Nope. just need good scissors. same ones used by emt. can cut through a penny U: That would be hot to cut his pants off of him. he would be terrified. P: pants, underwear, shirt. shoes and socks should come off easy. and he is naked.

P: it is in same room C: where will your tools be? the knives? saws? trays and whatever else you plan to have P: in another room C: so he won't be looking at them all the time from his cage P: true. but he will know he will be my dinner. C: how will you store his meat after butchering? P: fridge and freezer. and as I said, cage has whole in it for head to come out for feedings. :) C: then you don't have to open the door. nice idea P: sticking his little head, gag in place, through the hole :) if he is young enough, he will be sitting on my lap when I feed him. but if older, the hole will work C: I know you are preferring slightly older P: yes. nicer ass to fuck before hand

1/29/2011	negboy1987	Basement	<p>P: honestly, I wouldn't want that. once I have you here. the only way I wouldn't eat you is if someone found out you were here. so you really need to decide you want this before you meet me. if you are naked and bound in my basement, I WILL eat you</p> <p>N: I'm not into sm or anything like that. I want my butcher to calm me down and to convince me that I have to be butchered</p> <p>P: what is sm?</p> <p>N: sado maso. you know that?</p> <p>P: I will not hurt you unless you leave me no choice. but it will hurt when I cut you. and I will do my best to calm you down. I am not in to torture myself either.</p> <p>N: that's good! I'm not into torture either...!</p> <p>P: good.</p> <p>N: Maybe you could leave me a choice. I'm sure I'd go through with that. But its pretty hard, too and it will hurt</p> <p>P: it will hurt. but it will be quick</p> <p>N: got some analgetics or anything? I'D love to be fucked by you while being cut up. That will take a while</p> <p>P: if I gave you drugs, it would affect your taste. and I want you to taste your best.</p> <p>N: So I wont be allowed to drink before that event? If I could drink, You could do anything you want:-)</p> <p>P: alcohol, I would allow. that will not ruin the meat</p> <p>N: that would be great if I could drink some alcohol. Then it would be easier for me to go through with it</p> <p>P: good. we'll do that then</p>
1/29/2011	negboy1987	Basement	<p>N: so tell me what you wanna do when we meet</p> <p>P: well. 9/28/2010	Arnett	A: and this one is on the low scale of your range at nearly four, but still a very nice specimen. I think his undies are appropriate for his situation too ;) P: :) would love him. question is, can I get him? A: unfortunately he's off the market now. courtesy of one of my friends out West >:) P: oooooh A: but I thought he was nice enough to show you P: drat. he was. Is. would have been A: he had a date with a large cutting table over the weekend P: any pics of that? that would be hot A: no. My friend just sent me the one picture.
9/22/2010	Arnett	P: :) I was told you might have one for me? or help me get one. A: You are talking about [REDACTED] yes. CK told me you had quite an interest in him. P: he does look delicious A: He is a doll isn't he? P: would look better naked. A: They would all look better naked ;) If [REDACTED]'s mama had let him play naked that day I wouldn't have complained. But that little swimsuit let a lot be shown P: true. just not enough. :)
9/22/2010	Arnett	A: One [REDACTED]'s size would probably suit you well P: yes. or a bit older. but in any case, I want one. A: It would be your first wouldn't it? P: yes A: what would you want help with? finding one? hunting it? capturing it? P: all of the above A: and after capture? P: don't need help eating him :)

10/1/2010	Arnett	<p>About 4 year old godson of user's coworker</p> <p>P: :)</p> <p>A: if I could have suck him in my car I would have. Those arms and legs are just beautiful.</p> <p>P: I would have loved to have him too.</p> <p>A: I'm sure it would not be hard to find out where in Baltimore he lives ;) question is, would you go that far to snatch him?</p> <p>P: I might. If I knew I could get him. On just the chance of getting him, probably not. there are thousands of young boys closer than that. I would need to know there is a good probability of success.</p> <p>A: I can understand that. Maybe I can get some more information from my co-worker and do a little looking around and see if I can learn more about him.</p>
9/22/2010	Arnett	<p>P: so, how do I get me a boy?</p> <p>A: Well that depends on what you are looking for, also where you are willing to go to get one. CK was saying he thought you might have a hard time taking one that would be missed by a lot of people.</p> <p>P: no. just don't want to get caught.</p> <p>A: nobody does. I know that if you were to take [REDACTED] for instance, he would be missed and probably pretty quick. There are ways to get ones that might not be missed for a longer period of time, though usually they are younger.</p> <p>P: i would have thought the opposite. the older they are the more independant. and therefore not missed as fast.</p> <p>A: Depending on many factors, that can be true. Most of the time a baby or young toddler is watched closer and not prone to wander away and explore as much, but there are instances where even the small ones are vulnerable.</p> <p>P: :)</p> <p>A: *sent file*</p> <p>P: he looks delicious</p> <p>A: take this little guy for instance. With a mama who likes to do her drugs and put him in his crib every evening while she gets blitzed. Who will be there to stop someone from plucking him out of that crib and making off with him? ;)</p>

I prefer boys though. nice plump naked boys</p> <p>C: I can show you my last boy but the best I have of him is diapered</p> <p>P: :) please. naked and bound is always best though. :) soooooo delicious. I want to eat him now. and I just ate</p> <p>C: he was the one that I might have shown you sitting in a riding toy outside a store earlier this winter. almost caught him that day and ended up getting him a few weeks later. wearing the same coat and shoes as in the pic</p> <p>P: not sure. but not a big fan of clothed meat :)</p> <p>C: Ok. well that was the best shot I got of him. that was on the day of his capture a few hours after getting him to the cabin. he was small, but plump and oh so tender</p> <p>P: he looks delicious</p> <p>C: he didn't know when that picture was taken that he had less than a day to be a little boy. then he was to become just meat</p> <p>P: :) so nice</p> <p>C: a nice plump slab of toddler meat ripe for butchering, cooking and eating</p> <p>P: I would have loved to eat him. I just can't get a boy</p> <p>C: I was so hoping that he would give me another chance to take him. It took a while but finally he wandered off from his babysittier just long enough for me to lure him away. I kept squeezing his meaty arms and legs and rubbing his soft belly all the way home with him too. He just giggled and loved the attention. He didn't know I was really checking his meat ;)</p>

What did you talk to them about?</p> <p>P: well, I told them I wanted to eat them (their parents were not around) and they said they didn't want to be cooked and eaten because it would hurt. I tried telling them that I would kill them first, but they insisted they didn't want to die and dying would hurt too. pity really. I would love to eat them both. (even though Minor 5 is female)</p> <p>A: too bad you couldn't make it sound like a fun thing. a big boy/girl thing. and make them think it would really not hurt, that they would just go to sleep. and how happy they would make you letting you cook and eat them.</p> <p>P: If I had taken it further, they would have mentioned it to their parents.</p> <p>A: espeically at those ages =P too bad there was no way to convince them. it would have been exciting if even one of them thought it would be funny to be eaten, maybe thinking you were mostly kidding until the real time came.</p> <p>P: I know. Would have been fantastic.</p> <p>A: Would either on have been a possibility to take away and eat? could you have done it?</p> <p>P: if they thought it was a joke or a game, yes. get that one when their parents were not around. bring them home. then they would know I was serious when I undressed them. would stop being a game for them.</p>

He, being family, would have to come to me willingly. (non-family wouldn't)</p> <p>A: so if you saw a chance to lure him off with you, with nobody seeing. you would do it? just in the car and gone. knowing somebody might be missing him very soon.</p> <p>P: On the odd chance I could get him while he was outside his house, with on one knowing i was there, yes. But the odds are long since he (being still very young) is rarely out of their sight. and it isn't as if I am stalking him. so about as likely as finding any pre-teen boy alone. not very.</p> <p>A: true, but it does happen. even if he were playing in the yeard and was left alone for a minute, or was running around playing where he was out of sight briefly.</p> <p>P: and I just happened to be at their house without them knowing. even more unlikely.</p> <p>A: what about paying someone to either take him, or hold him for you for a bit. Like taking them to a park or something and having him 'vanish' from there. but he really was given to another person to hold on to until you could get him safely. you took him to the bathroom at the park with you, but he ran back out while you were finishing up and by the time you got out, he was gone.</p>

7/28/2012	Walrus blackhawk	<p>W: The little baby doesn't do much for me. But the toddler is nice.</p> <p>P: sorry</p> <p>W: The little head would come off so easy.</p> <p>P: sent file &quot;the-boy-which-holds-an-apple-thumb3948023.jpg&qu</p> <p>W: On the toddler. It would just be staring at you wonder what's happening and the zip...off with the head. He's ready for the oven.</p> <p>P: they all are</p> <p>W: The toddler guts could be used for giblet dressing.</p> <p>P: :)</p> <p>W: With maybe a six year old brother watching from a cage. Knowing he was next.</p> <p>P: nice</p> <p>W: Wondering what it would feel like. We'd talk to the kid and explain what was going to happen to him tomorrow and let him think about it.</p> <p>P: tomorrow? wow, you eat fast. take me a month or more to eat a boy</p> <p>W:That would rush it. We need to give the six year old more time to anticipate his fate. Stroking his little head. Fucking his little butt. Then show him the knife we plan to use to cut him up.</p> <p>P: nice</p> <p>W:How romantiic. Nice and gentle (evil grin).</p>
2/28/2011	Uelime	<p>U: Any plans to come back to Flordia?</p> <p>P: none right now. Do you want me to? Are you inviting me down? :) to share [REDACTED] maybe? Yumm</p> <p>U: He might be too much for one person.</p> <p>P: will cost a lot of money. Rent a van. Rent a house for a month. :)</p> <p>U: I think [REDACTED] would be worth it.</p> <p>P: :) don't you mean half of [REDACTED]. do you know his address?</p> <p>U: No, but I could find it. Do you think it would take a month to eat him?</p> <p>P: probably not with two of us. But we probably wouldn't get him the first night. but if we do, we get to enjoy him for a week or two first.</p>

2/19/2011	calf_keeper2	<p>P: how are you?still hunting little pigletts? any new pics?</p> <p>C: yes. been hunting. helped a buddy with a little 10 month girl piglet last weekend. had one of my own not long before that, just little one though. no big ones lately</p> <p>P: any pics? naked? bound? gagged? cooking? butchering?</p> <p>C: only naked I have is the baby girl piglet that I helped with just lying on a couch when my buddy showed her to me. have two pics of a little 6 yr old blindfolded but clothed</p> <p>P: nice. I prefer boys though. nice plump naked boys</p> <p>C: I can show you my last boy but the best I have of him is diapered</p> <p>P: :) please. naked and bound is always best though. :) soooooo delicious. I want to eat him now. and I just ate</p> <p>C: he was the one that I might have shown you sitting in a riding toy outside a store earlier this winter. almost caught him that day and ended up getting him a few weeks later. wearing the same coat and shoes as in the pic</p> <p>P: not sure. but not a big fan of clothed meat :)</p> <p>C: Ok. well that was the best shot I got of him. that was on the day of his capture a few hours after getting him to the cabin. he was small, but plump and oh so tender</p> <p>P: he looks delicious</p> <p>C: he didn't know when that picture was taken that he had less than a day to be a little boy. then he was to become just meat</p> <p>P: :) so nice</p> <p>C: a nice plump slab of toddler meat ripe for butchering, cooking and eating</p> <p>P: I would have loved to eat him. I just can't get a boy</p> <p>C: I was so hoping that he would give me another chance to take him. It took a while but finally he wandered off from his babysittier just long enough for me to lure him away. I kept squeezing his meaty arms and legs and rubbing his soft belly all the way home with him too. He just giggled and loved the attention. He didn't know I was really checking his meat ;)</p>
